

Norbar PneuTorque PTM-119 Pneumatic Torque Multiplier 900-4500NM, Square Size: 1 1/2"

The back plate of the PTM-119 tool contains a second trigger that requires the operator to operate the tool with both hands, limiting the possibility of the operator's hands becoming stuck between the reaction bar and the reaction point.

Specifications	Details
Range Imperial	660-3300 lbf·ft
Brand	Norbar
Product Number	18108.B12.DT
Tool Weight	13.45 Kg
Free Speed	23 rpm
Accuracy	+/-5%
Square Size	1 1/2"
Range Metric	900-4500 N·m
Reaction Plate Weight	2.2 Kg
Air Consumption	19 litres/sec
