

Kennedy - 3/8 inch Drive, 14mm Deep Sockets - 6 Points

3/8 Square Drive Conform to DIN3124. The Ken-Grip® socket offers a new standard of performance with the ability to grip up to 95% of a rounded fastener. Double knurl feature gives a high grip which is essential for quick tool change when hands are greasy or oily. Manufactured from chrome vanadium steel, the sockets and accessories are aluminium free and fully chrome plated for an easy clean finish
