

Kennedy 230mm/9 LONG NOSE LOCKING PLIERS

Long Nose Specially designed with long slim jaws to enable access to restricted areas. With quick release. Rolled chrome vanadium steel bodies, drop forged hardened steel jaws with corrosion-resistant bright nickel coating. The jaw opening and clamping pressure can be adjusted with the knurled head screw, fitted with wire spring to ensure efficient opening of the jaws. The locking mechanism holds the wrench in place once adjusted, leaving both hands free.

Specifications	Details
